My Little House Journal Page

A special place to think, write, and draw about your home, your journey, and your dreams.

What does home mean to you?

You can write, draw, or both!

What would you take with you if you moved somewhere new?

Draw or write about the most important things.

How can you help someone new feel welcome?

Here are some ideas, or you can think of your own!

- ☐ Be kind and include them.
- ☐ Learn about their culture.
- ☐ Listen to their story.
- ☐ Help them find their way.
- ☐ Share a smile.
- ☐ Invite them to play or sit with you.

What else can you do?

A place I would like to visit someday...

Draw or write about a country, city, or special place.

My dreams for the future...

What would you like to learn, do, or explore?

You are part of a bigger story!

Our world is brighter, kinder, and more colorful because of people like you.

One kind thing I can do today is...

Different places.
Different journeys.
One shared world —
a place to call home.
