HERE'S HOW:

-  **COLOR**
Color the picture any way you like!
-  **CUT**
Ask a grown-up to help you cut along the outer dotted line, then cut the puzzle pieces.
-  **BUILD**
Mix up the pieces and put your puzzle together!
-  **CELEBRATE**
You did it! Every piece has a place—just like you in this world.

Take your time,
have fun, and be
proud of you!
